## New Zealand Sign Language Classes for Families:

The family classes run fortnightly (4 sessions per term). This is a wonderful opportunity to learn a new language and for family members of a Deaf child to develop their NZSL communication skills. Parents and extended family are very welcome to enrol. These classes are also an opportunity to meet other families who have Deaf children. Classes will be tailored to give you the skills you need to communicate with your Deaf child.

Both classes are open to any families and are for Beginners and Intermediate level.
